ABOUT THIS RELEASE

A file containing unit record data from the Survey of Income and Housing Costs. It is confidentialised and as such contains no names and addresses and the detail for some items of data has been reduced. Subject to the limitation of sample size and the data classifications used, it is possible to manipulate the data, produce tabulations and undertake statistical analyses to individual specifications.

Now only available on CD-ROM and RADL (6541.0.30.001).
